

8/13/19 AV Liability subcommittee notes

Attendance:

In person: Lonnie Johns-Brown, Harris Clarke, Veronica Vanslyke, Larry Shannon, Brenda Wiest
On call: Steve Marshall, Melanie Smith, Michael Transue, Amanda Anderson, Kenton Brine, Jean Leonard, Melissa Crawford, Karen Lang, Robin (no last name listed on screen)

Legislative update: New Hampshire enacted an AV testing pilot program with \$5mill liability or bond requirements. Louisiana AV trucking law in effect on 8/1/19, requires \$2mill liability coverage.

Subcommittee update:

License Subcommittee, Brenda- discussion on license the owner or driver of vehicle. Firming up their recommendation.

Safety Subcommittee, Kenton- Sept 11 meeting going to have a webinar on driver's attitude toward AV technology. Will also discuss recommendations to present.

Peloton Presentation, Stephen Boyd:

Freight Trucking pressure points

- Fuel cost
- Crash cost
- Crash congestion cost

Peloton's platooning technology attempts to reduce the three pressure points by enhanced driver safety and reduction of fuel costs.

Recommendations: Discussion on Recommendations

Vote: Umbrella liability policy for testing

Yes: 9

Abstain: 1

Brenda Weist, *Teamsters*

Harris Clarke, *PEMCO*

Desire to continue data and safety improvements- Lonnie Johns-Brown has reached out to data subcommittee with plans to meet with them in September. Send suggested questions to Lonnie.

Discussion on whether recommendations are a package piece of legislation or standalone.

Discussion on verification of liability coverage for testing companies, send questions to Lonnie by end of month.

Next Steps: Report out to EX Committee, explore other research and presentations possibilities.

Next meeting date: early October, send out poll.
